

Shipping rates

In general, the reference materials are dispatched by courier within two working days after receipt of the order. The reference materials are expected to arrive at your laboratory within one to three working days after shipment, depending on your location.

Prices in the table below shall apply to the shipment of up to two reference materials. Shipment costs for the order of more than two reference materials are available on request.

	unchilled	chilled
Germany	20 €	30 €
EU	78 €	88 €
Switzerland	110 €	120 €
non-EU	on request	on request
